Craftidly - Woodland Animal Appliqué Patch

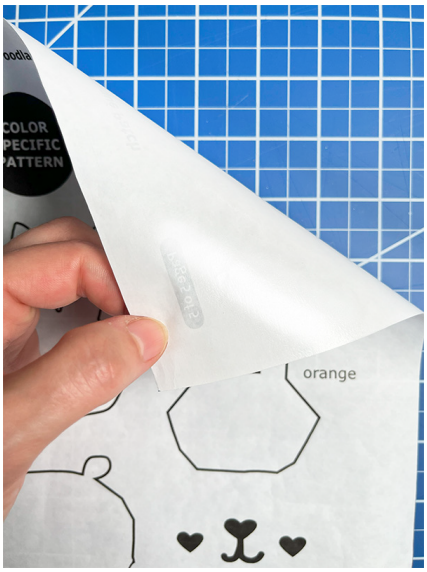

SUPPLIES & INSTRUCTIONS

- Freezer Paper
- A fine-point black marker
- Embroidery scissors
- Fabric glue
- Felt

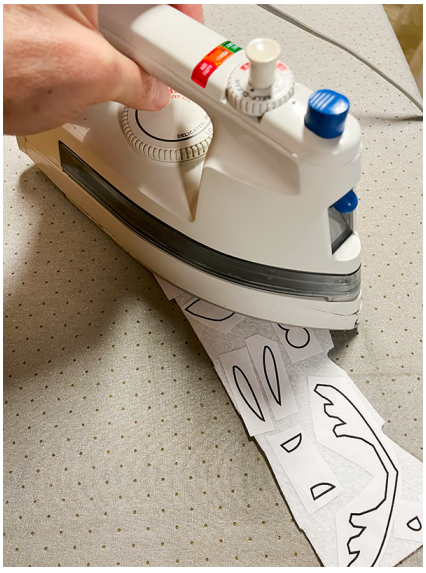

Print the PDF patterns (at 100% size) directly onto Freezer Paper or print and trace onto freezer paper with a fine-point marker.

Iron the shiny side of the freezer paper onto felt and cut out the shapes. Glue with fabric glue and draw eyes with a black fine-point marker to finish.

1 Print or trace the pattern onto freezer paper.

2 Iron the freezer paper to your felt.

3 Cut and glue with fabric glue.
